MEMORANDUM FOR: DD/P  
Colonel Grogan  
DD/P (SGO)

At the Special Group meeting of 9 August, General Taylor said he would soon convene a meeting of the public relations officers of all agencies involved in counter-insurgency matters, to determine the advisability of publicizing counter-insurgency accomplishments.

Action: The DCI wants CIA to participate in this meeting with Colonel Grogan our representative. The DCI has directed that the public relations people should not be informed of the existence of CIA papers dealing with counter-insurgency history and doctrine and no reference to CIA's activities should be made in any article or press release.
